It shows a man come up from the depths of a prison hell—come back to step into his brother's shoes. His brother was a parson, a tender, sensitive soul, while he was a fighter—a big, red-blooded doer of things. If you love children; if you like to see a man batter down obstacles and come back a winner; if you like to have your heart torn with a tender, noble love story; if you like to be lifted by an inspired message and your mind exalted—you'll just have to come and see "Other Men's Shoes."
